Acceptable Use and Cyber Safety Agreement for Remote and Flexible Learning.

This document is an amendment to the ICT Acceptable user agreement

St. Patrick's Primary School supports the rights of all members of the school community to be provided with and engage in a safe, inclusive and supportive learning environment including Remote and Flexible Learning. This extends to the use of digital tools and online communities and is underpinned by our expectation of safe and responsible behaviour of all members of the school community. The school is committed to the pursuit of excellence in learning and teaching, integrating technology as an effective tool to achieve this goal.

St. Patrick's School:

- provides all students with digital technology for educational use.
- educates students to be safe and responsible users of digital technologies.
- raises students' awareness of issues such as online privacy, intellectual property and copyright.
- supervises and supports students when using digital technologies within the classroom and establishes clear protocols and procedures when working in online spaces including reviewing and considering the safety and appropriateness of online tools and communities.
- provides a filtered internet service on the social network but acknowledges that full protection from inappropriate content can never be guaranteed.
- responds to issues or incidents that have the potential to impact on the wellbeing of our students including those reported through online services.
- implements the procedures in St. Patrick's Behaviour Management Policy when students are not following school expectations in safe and responsible use of the internet and digital technology.
- identifies that some online activities are illegal and as such the school is required to report this to the appropriate authority.
- supports parents/guardians to understand safe and responsible use of digital technologies, potential issues and the strategies that they can implement at home to support their child; providing this Acceptable Use and Cyber Safety Agreement for Remote and Flexible Learning and current information through newsletters and information sessions.

Care must be taken to ensure the resources are protected from harm and that no users are exposed to materials considered offensive or illegal. Students and parents should carefully read and discuss the conditions below together. To have access to the school's digital resources, students must agree to abide by the school's Acceptable Use and Cyber Safety Agreement Remote and Flexible Learning. The following

agreement covers the student's use of technology equipment (such as computers, handheld devices, camera, printers, and digital platforms such as Internet, networks and email, social media, apps, and software).

STUDENT AGREEMENT

General

- I will respect and take care of the computer equipment at all times, this means that I will not have food or drink whilst using them.
- I will have my computer 100% charged before each class when undertaking Remote and Flexible Learning.
- I will only use the school's digital technology under the direction facilities of school staff.
- I will only print material for educational purposes with the permission of staff.
- I will not bring a mobile phone/ electronic device from home to school for my own personal use.

Network

- I will only use software purchased or approved by the school, and installed by the school.
- I will not under any circumstances access or delete personal files belonging to others, software or areas of the network which are not designated for my use.
- I will use file names that reflect the content of the file and always save appropriately.

Internet

- I will only access the Internet during class time. Students cannot access the Internet before or after school or during recesses unless otherwise directed and supervised by a staff member.
- I will only access sites as directed by my teacher.
- I will keep my logins and passwords private and not seek the passwords of others.
- I will use St. Patrick's School digital technology resources, specifically the Internet, for educational, communication and research purposes only.
- I will respect the privacy and ownership of others' work and materials from web sites at all times.
- I will not provide my personal details or any other student's personal details on the Internet, under any circumstances.
- I understand that the school has access to all logs of student use.
- I will not make deliberate attempts to look for and use material that is non-educational, illegal or which would be thought of as offensive.
- If I should unknowingly navigate to a web site that contains material that may be considered offensive, I will turn off the screen immediately and notify the teacher. The IT administrator will then block this site. Our school network is filters offensive material.
- **I will only use the school email for educational purposes and not for personal use.**
- As a responsible user of the technology facilities at St. Patrick's School, I will follow the rules set by the teacher based on the Digital Technology Policy.
- I understand that if I have broken these rules, appropriate action will be taken.
- I will lose access to the technology facilities and Internet for no less than a week and my parents will be notified. I will then need to renegotiate how I use technology at school. If the misuse is a serious issue, it may lead to suspension from school. Police may need to be informed if the violation may have broken any law.

PARENT AGREEMENT

- I have discussed this agreement with my child
- I will monitor my child's technology use during Remote and Flexible Learning.
- When engaging with St. Patrick's Primary School using digital technology, I will not send any inappropriate texts or images
- I have read the St. Patrick's School's Digital Policy and have also discussed the policy with my child
- I will not engage in unauthorised sites that appear to have St. Patrick's School name or post confidential or embarrassing information or images about a member of the school community
- I understand that I must not take and/or post photos of a school event that have children for whom I am not a parent or guardian without permission from the child/children's parent.
- I understand that if I do not adhere to the school policy it may lead to suspension or termination of my access to the school's technology facilities and internet. Police will be informed if the violation may have broken any law.

I declare that my child and I have read, discussed and understood this Acceptable User Agreement for Remote and Flexible Learning and hereby give permission for him/her to use the St. Patrick's School's technology facilities and Internet. I accept the terms of this agreement.

The school reserves the right to vary the terms of this Agreement to accommodate unforeseen circumstances relating to the use of facilities by students. Variations shall be in writing signed by the principal, and shall be distributed to students and shall take effect accordingly.
